
11 September 2025

Dear parents, carers & wider family members,

Parents That Paint - Thursday 11 September 2025

Following on from last year's successful parents that paint morning I would like to invite you to attend another family morning at school to help us improve the area and appearance of the outside of the library in preparation for Green Library Week in October. The aim of the morning is to work together to clean, clear, paint and remove and carry away some bushes and tree branches, to provide our children with better access to the area around the library. This project will take place outdoors and involve some painting and clearing away, so please if you can attend, come along in some old clothing.

It would be fantastic if you could help and support us with this project by committing a couple of hours of your time on Thursday 18th September 2025 from 10.00am-12.00noon and all of the equipment, will be provided, but if you have a spare painting brush and branch cutter, and gloves, please feel free to bring them along as well. Drinks and refreshments will be provided on the morning and even if you can only commit an hour of your time that would be most helpful and kind of you to come into school to help us, but if not don't worry as there will another parental event coming up in the next couple of months.

If you would like to attend, please return the tear-off slip below to your son / daughters Class Teacher and if you have any further questions about the morning, please give myself a call at school on 01207 503651.

Best wishes,

Damien Dimmick
Assistant SENCO

.....
I would like to attend / cannot attend the Parents that Paint morning on Thursday 18th September 2025 from 10.00am – 12.00noon.

Name of student

Name of parent / carer / family member attending.....
