**RE: AUTHOR VISITS TO VILLA REAL SCHOOL**

Dear Jill Bowe,

Thank you so much for inviting me to your school on two occasions. I have done a few talks in schools now, but rarely have I enjoyed my visits more than I have at Villa Real School. The staff and the pupils made me feel so very welcome and I was truly amazed at the recollection of the pupils during the question and answer sessions.

I also have to mention, how impressed I was at the drawing skills of the pupils, some of the drawings had such a wonderful amount of attention to detail, that really was incredible. All-in-all, I have had a wonderful two-days at Villa Real School. Thank you again for your school's most-welcome invitation...

Yours sincerely
