
12th October 2026

Dear Parent/Carer

We are excited to let you know that pupils will take part in a Sponsored Run and Movement Challenge at school during the week commencing Monday 9th-Friday 13th November 2026.

This fun event will give children the opportunity to be active, challenge themselves and raise money for a wonderful cause. We are committed to ensuring that all pupils can participate. Pupils who use wheelchairs or have mobility needs will take part in a movement challenge, which may include completing laps in their wheelchair, travelling a set distance, or engaging in other physical activities appropriate to their individual needs and abilities.

Event Details:

- Date: To be determined by each class
- Location: To be determined by each class
- What to Wear: Children should come to school wearing comfortable clothing and suitable footwear or equipment for physical activity.

Each child will receive a sponsorship form to collect donations from family and friends. Every lap, distance travelled, or movement challenge completed will contribute towards our fundraising efforts.

Please return completed sponsorship forms and any sponsorship money to school by Friday 20th November 2026.

We hope this event will be an enjoyable, inclusive opportunity for pupils to be active, celebrate personal achievement, and support an important cause. Whether pupils run, walk, wheel, or complete a personalised movement challenge, every effort makes a valuable contribution.

Thank you for your continued support and generosity.

Yours sincerely,

Angela Doogan
RE Coordinator
