

RE Visits Overview for September 2023 – July 2024

Educational visits are an integral part of the entitlement of every pupil in order for them to have an effective and balanced curriculum.

Teachers will plan, prepare and endeavour to undertake at least one visit each term to improve achievement and attainment in Religious Education.

All visits must be evaluated (RAG), a copy being provided to the RE Co-ordinator.

Below are suggested visits and key vocabulary relating to each theme and topic across the key stages.
