- FREE access to support, resources, toolkits, training and guidance for staff and volunteers
- FREE access to local sports and social events
- FREE newsletters and event calendars

What is CP Sport?

- CP Sport is a national charity, and we are launching a regional hub in the North East of England. We are working alongside many major sporting organisations such as The Football Association, Swim England, Lawn Tennis Association, England Cricket Board, England Athletics and many more. Together, we aim to create more, and varied, opportunities for children with CP to enjoy sport and physical activity.

What is the CP Sport North East membership?

Anyone can join our North East membership for FREE. You may have cerebral palsy, live with or know someone with cerebral palsy, or you may work or volunteer with someone with cerebral palsy. You may not have any experience of cerebral palsy but are interested in knowing more. Our free membership is for everyone, including children and adults.

What does success look like?

Success would be ensuring that children with CP in your region are able to enjoy a range of sport and physical activity opportunities. The impact which sport has on children with CP is incredible. We want all people with CP in a region to attend virtual events, physical events and part take in volunteering or training opportunities to make friends, have fun and develop their skills.

How to join the CP Sport North East membership?

To sign up for the CP Sport North East Free Regional Membership, please click on the [link](#). For people that haven't used signed up for JustGo in the past, you will need to do this to become a member, here is the [link](#) to get started. We have created a step-by-step [video](#) of how to become a member, if you have any issues then please email dan.rodny@cpsport.org

Further information

If you require further information, please email info@cpsport.org and one of our team will be in touch.
