January to March 2026

Consett

We offer support for families from pregnancy up until your child turns 19, or 25 if they have special educational needs and/or disabilities (SEND). This includes help with all aspects of being a parent or carer, helping your child learn and develop and support for mental and physical health concerns.

Why not take part in one of our free, friendly groups, or drop in and ask us a question. There's no such thing as a daft question, so please feel free to ask.
