

# Don't Be Fooled by offers of quick cash

**NEVER** accept money from a stranger, even if your friends do.  
**NEVER** share your bank details with anyone you don't know and trust.

It could be a criminal trying to get you to be a money mule. This means:

	You could be putting yourself and your family at risk
	You will have difficulty getting mobile phone contracts
	Your bank account will be closed
	You could find it difficult to get a job when you leave school
	You will find it difficult to get a student loan for college or university
	It is a crime
